

We are seeking exceptional individuals to fulfil the following roles:

Property Team Leaders

All Regions

Are you self-motivated and able to work alone? Like troubleshooting? Organised with excellent customer service skills? Enjoy being hands on where no two days are the same? Then this may be the position for you.....

As a Disaster Recovery business we assist our clients in returning properties to pre-incident conditions following water damage such as flooding and escapes of water.

Our Property Team Leaders travel to properties to assist homeowners by carrying out remedial work to ensure that any disruption is kept to a minimum. You will be the face of the Company and on the front line in terms of customer focus.

This is a hands on role where you will undertake clearing of debris, working with specialist suppliers if necessary and commissioning drying techniques so the property does not suffer further damage and is made habitable in the shortest possible timeframe.

You will compile reports and provide costs to our clients and keep them updated on the progress of each property you are managing. You are fully supported by a team of Administrators together with a Technical Team.

Full training will be given and transport, tools and equipment will be supplied.

Experience in the damage management industry will be a distinct advantage as is a British Damage Management Qualification.

A construction background, plumbing qualification or understanding of the built environment would be preferred as this will aid the training for the role.

This is a full-time position where a full Driving Licence is essential.

If you think you have the aptitude, attitude and like to be challenged; then we would love to hear from you.

To apply, please send a copy of your CV and a covering letter detailing which role you would like to apply for to restoration.recruitment@uk.issworld.com.
